Q. Refer to Exhibit 1, at page 9 (Article V, Section 2). Describe the oversight role NEGM and KeySpan will have over these outside providers.

A. See response to DTE 1-5.

NEGM will have direct oversight over the activities of all vendors of legal, consulting, auditing and/or escrow services, etc. As a member of the ANE II Customer Group, with substantial volumes in the ANE II Project (40%), KeySpan has a volume-proportionate role in directing and approving the activities of NEGM in connection with the business activities of ANE as is the case with all other Customer Group members.
